Early Literacy Station

We are pleased to introduce our two new Early Literacy Stations - designed to entertain and teach our library's youngest users!

The computer stations, located in the Children's Library, are loaded with entertaining and educational programs targeted at kids from preschool age through 1st grade. For safety, they are not connected to the Internet.

The purchase of these Early Literacy Stations was made possible through gifts from:

- Mayme Noll
- Alvin Elliott Memorial
- Friends of the Morrill Public Library
- State Library of Kansas
