What is Flipster?

Flipster is an online source for magazines. You can browse 40 titles and download them for offline reading. To get started, all you need is an internet connection and your NExpress account information.

How do you use Flipster?

Via a computer, tablet or phone:

Log into your NExpress account—enter your library card information or a username and password—and click on Flipster under the Digital Sources menu on the left. From there, you can browse available magazines.

You can then click on a magazine to view it within your browser. This means that you can access Flipster from the library's computer, your home computer, your phone, or your tablet. All you need is an internet connection.

The Flipster app:

The Flipster app manages your magazines downloaded from the Flipster website for offline viewing. To download the free Flipster app, from your device's app store, search for "Flipster".

What else can you do with the Flipster app?

- Organize your magazines by date or title
- Browse magazines via table of contents and page thumbnails
- Track percentage of magazine read
- Read articles in text view
