Your Ideas Wanted!

The Library is going to be renovating in 2017! It's been a while since we've had an update and we desperately need to replace our lighting, carpeting, seating, and more. We want to hear from you about what changes you'd like to see.

- What would you add to the Library?
- How do you see the Library's role in the community?
- What have you always wished we could provide?

Please take a moment to fill out our survey to tell us what you think! It's available in paper form at the Library or on our website. If you want to participate in a focus group to talk more about your ideas, there's a place on the form to let us know. We look forward to hearing from you!
