Welcome to our new Library Director!

The Library Board and Staff are pleased welcome Jessica Ezell as our director. Jessica received her Master of Science in Information Studies from the University of Texas - Austin. She is leaving her position as a specialist with the Texas Health and Human Services Commission.

"I want to bring a high level of awareness to all the patrons whom the Morrill Public Library serves when it comes to the programs and resources that are available, and to identify the best way to reach audiences that may not be aware of what the library can do for them."

Jessica will be relocating from Austin, TX and is excited to be back to the area, as she grew up here as a child and has family in the area.
