

**Flipster is an online source for magazines. You can browse 40 titles and download them for offline reading. To get started, all you need is an internet connection and your Next library account information.**

- Organize your magazines by date or title
- Browse magazines via table of contents and page thumbnails
- Track percentage of magazine read
- Read articles in text view

#### Getting Started:

- On your computer, tablet, or phone, log into your Next account at [nextkansas.org](http://nextkansas.org) —enter your username and password—and click on “Go to Flipster.” From there, you can browse available magazines.

#### Accessing Titles:

- To look at a magazine, click on a title to view it within your browser. This means that you can access Flipster from the library’s computer, your home computer, your phone, or your tablet. All you need is an internet connection.

#### The Flipster App:

- The Flipster app manages your magazines downloaded from the Flipster website for offline viewing. To download the free app search for “Flipster” in your device’s app store.
