

Welcome to LEGO Club!

LEGO Club is for kids and families — Parents and kids are invited to come build together. It is also okay if older kids come on their own. Children under age 6 will be required to have a parent or older relative with them.

The Library will provide the LEGOS — If you would like to donate LEGOS for LEGO Club, that would be appreciated.

Ground Rules:

- Sign in when you come in
- Don't take LEGOs from other people
- Everyone will have a chance to show and explain their creation
- Respect the LEGO creations of others
- Take apart your creation before you leave
- Everyone helps clean up
- Have fun!

**LEGO Club meets the 2nd Monday
of each month from 3:45 to 5:00 p.m.**
